

# GD - Complete Comfort II

## Anti-Fatigue Mats • Indoor/Outdoor

Complete Comfort II mats are anti-microbial, anti-fatigue mats that can be autoclave sterilized and commercially laundered.

- Ergonomically superior anti-fatigue mat.
- Textured surface offers superior slip and skid resistance.
- **Beveled edges create a smooth floor-to-mat transition, reducing slip and falls and allowing carts to easily roll over the surface.**
- **The 100% Nitrile Rubber cushion is oil, grease, chemical resistant and welding safe.**
- **Anti-microbial treatment reduces odors by inhibiting the growth of germs and bacteria.**
- **Lightweight and easy to clean.**
